

Fernando Aracil

Fernando Aracil was born in the city of Alcoy (Alicante) in 1954. It is in his hometown where he began his studies at the Academy of Painting of Rafael Abad.

His personal style is formed through trips made throughout Spain. Consolidated already in the world of painting will expand its trips to several European cities deepening the work of great masters.

He is one of the original artists of the group of Spanish Levante painters. He has participated in several contests and contests at national and international level, in group exhibitions in Spanish cities, Madrid, Barcelona, Oviedo, Alcoy, Denia ... and in European cities London, Porto, Rome and Cologne. He is a painter in solidarity with the world around him, highlighting among others the donation of the painting that represents the poster of the "Filá Realistas" of Alcoy on the occasion of the 125th anniversary of its foundation.

"The reality of the environments and rustic architecture of a Spain that still exists in the most unsuspected places that we would all like to find, walls of lime in the sun, Mediterranean vegetation, figures, the sea ... elements that make up a pictorial reality based on the rigor and quality "
